Commanders Corner

What you will find in this Special Edition is a Battalion Roster of 872 former members , a list of those who are deceased, and a list of BC's and CSM's for the Battalion. The valuable assistance from SGM Gary Bolton, LTC Mike Long and COL Ray Zimmerman and the original Battalion News Letters made this listing of former members of the Battalion possible.

The Battalion Roster is done alphabetically by last name; it also includes rank, first name and middle initials. As I compiled the list it became apparent there are some for whom we are missing their rank, first name, middle initial or assigned Battery. The hope is that when you view this list you can help me fill in some of this missing information.

Abbreviations used:

UNK—Unknown

NMI—No Middle Initial

BTY UNK—Battery Unknown

BTY ***—Deceased
